

Master's exams – Summer 2021 session

Exam withdrawal

Please read carefully the information below which provides important clarifications following the decision of the UNIL Direction communicated on May 26, 2021 concerning the possibility of withdrawing from the Summer 2021 exams.

- For the HEC Faculty, it is possible to withdraw your registration for one or more exams in the Summer 2021 exam session only. To do so, write an email to hecmasterexamen@unil.ch **before June 1, 2021 (midnight)** at the latest.
- It is not possible to withdraw from exams after June 1, 2021. Therefore, the usual rules apply for the fall (retake) 2021 exam session. Namely, students who are required to register for the fall exam session (retake) must do so and sit for the exams, unless a medical certificate is presented.
- Withdrawal will not result in a loss of an attempt.
- Withdrawn exams from the Summer 2021 exam session will need to be made up either in the Fall 2021 (retake) exam session or in the Summer 2022 exam session. However, make sure to consider in your decision that a full or partial withdrawal from the Summer 2021 exam session does not result in an extension of time in school and will not constitute just cause at graduation to extend time in school.
- Grades obtained in the Winter 2021 session of examinations are achieved.
- The situation of students who did not register for Summer 2021 when they were required to do so is not affected by this decision.
